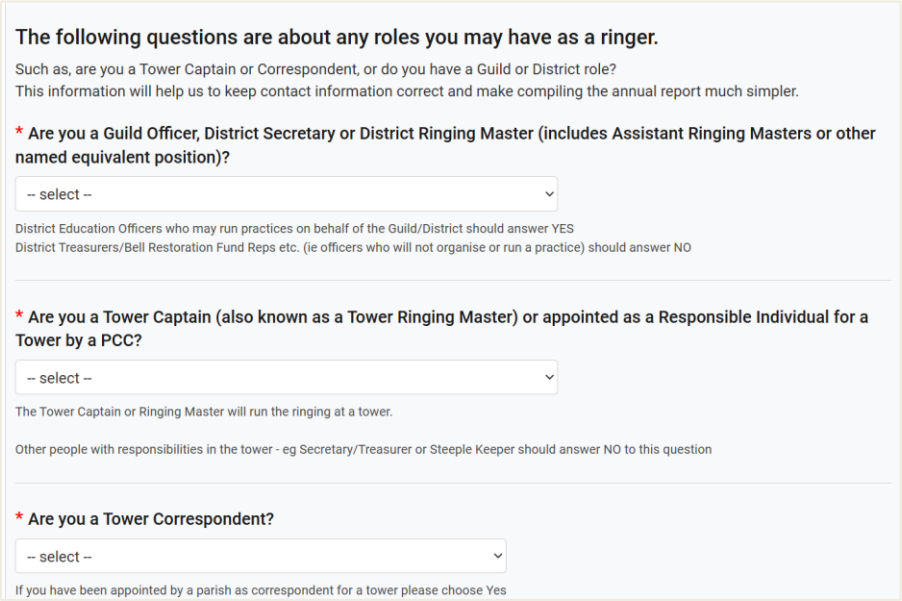
STEP ONE

All members will need to **Review and update** your details, and communication preferences. Most information will be pre-filled, but some questions will need to be answered.

NB to make compiling the annual report easier, and because of the changes to the CofE safeguarding framework this year, there will be some additional questions to answer.



The following questions are about any roles you may have as a ringer.

Such as, are you a Tower Captain or Correspondent, or do you have a Guild or District role?
This information will help us to keep contact information correct and make compiling the annual report much simpler.

* **Are you a Guild Officer, District Secretary or District Ringing Master (includes Assistant Ringing Masters or other named equivalent position)?**

-- select --

District Education Officers who may run practices on behalf of the Guild/District should answer YES
District Treasurers/Bell Restoration Fund Reps etc. (ie officers who will not organise or run a practice) should answer NO

* **Are you a Tower Captain (also known as a Tower Ringing Master) or appointed as a Responsible Individual for a Tower by a PCC?**

-- select --

The Tower Captain or Ringing Master will run the ringing at a tower.

Other people with responsibilities in the tower - eg Secretary/Treasurer or Steeple Keeper should answer NO to this question

* **Are you a Tower Correspondent?**

-- select --

If you have been appointed by a parish as correspondent for a tower please choose Yes
