## SUNDAY

### **TEAM- composition:**

According to the "gender list" ranked after handicap index. 5 "lady teams" and 4 "gents teams" of three players are composed.

TEAM-handicap is calculated as follow:

10 % of the accumulation of the three player's "course handicap".

### **Formule:**

Texas scramble (stableford) for teams of three players.

Each player drives, the team(captain) selects the best positioned ball. All team players make the second shot from that position. Continue like that until a ball is holed. The number of "net" strokes used, is the teams score on that hole.

The captain decides the order of play. Each player can "lift, clean and place" his/her ball all over the course.

Five (5) drives of each player shall be used – Three (3) drives are free.

It is the team captain's responsibility to register that all players use at least 5 drives!

### **Special challenges:**

**WHEN PLAYING GOLF  
DO NOT FORGET TO KEEP AN EYE ON THE FLIGHT IN FRONT OF YOU  
AND NOT THE FLIGHT BEHIND YOU!!**

The organizers can penalize a team – reducing the score - for slow play  
(finishing more than 20 minutes after the flight in front)!

**ENJOY THE WEEK-END  
AND REMEMBER  
FAIR PLAY AND PLAY FOR FUN**

Hope to see you all next year

DAVID & GERT

Enclosed: you will find a copy of the scorecard – for mental preparation and “game plans”!
