

Dear member,

Our first WE in Alsace, over two days (option 2) or three days (option 1) has attracted 26 participants.

On Saturday and Sunday, we will be 25 players on the Kempferhof Golf course, and on Monday 14 will stay to play Le Golf de Strasbourg.

Regarding the diner, we have been provided with new proposal (season's based) and I would very much appreciate if each of you could inform me back, **asap**, on his/her choice out of the offered possibilities and accordingly of the option selected (1 night only Le Chalet; two nights Le Chalet and L'Auberge).

So the WE is now in the starting blocks, and everything is set-up.

Enclosed the starting list for the Saturday :

First tee-off at 12:30, it would be nice if we could all meet on the terrace a quarter before so that I'll be able to introduce new members, distribute the score-cards and give some advices before launching our 2022 Alsace's Edition.

For all of you, travelling from Luxembourg or not, take in consideration the traffic until the border due to the works on the highway, and also about 15 km before Strasbourg until the exit in direction of Plobsheim, limited to 90km/h, with static or other very frequent radar-controls.

The courses we will play are quite easy to walk, but if you want to book a buggy, please book it in advance by calling the secretariat : [Tel. +33 3 88 98 79 22](tel:+33388987922).

Everything you order or by from the pro-shop or the bar-restaurant has to be paid directly to the personal serving you.

We will have people in front and behind us, so please, remember some good behaviours ... we are playing "ready golf" and, as soon as the flight in front of you will be out of range, tee-off on PAR 4 and 5, as soon as the last player in a flight will have holed/picked-up her/his ball, please leave the green, pick-up your ball as soon as you'll have hit two strokes over YOUR par, etc.... and of course ENJOY KEMPFERHOF

Regarding the Sunday 15 th,

We will have our round of golf from 11:00 on, until 12:00, and if everything is running well, the last flight should be back around 16:30, so that we will have plenty of time to organize our Prize giving ceremony in order to reward :

1: The best TOTAL BRUT SCORE OVER TWO DAYS for MAN and LADY						
2: The best TOTAL NET SCORE OVER TWO DAYS for MAN and LADY (if not rewarded because of the Brut)						
3: The second best TOTAL NET SCORE OVER TWO DAYS for MAN and LADY (if not rewarded because of the Brut)						
4: The third best TOTAL NET SCORE OVER TWO DAYS for MAN and LADY (if not rewarded because of the Brut)						
5: All the winners of the 8 special contests						
6:and perhapseven more...						

Regarding the offered possibilities, and especially for those of you leaving back to Luxembourg on that Sunday, I've been informed that : « malheureusement, le restaurant du Kempferhof n'est pas ouvert le dimanche soir...mais une mini carte est disponible de 15h30 à 17h30 et après cet horaire, des planchettes de charcuteries seront disponibles de 17h30 à 18h30 ».

Happy to see all of you very soon !

Don't forget to send me back your choices so that I might be able to turn back to the two restaurants.

Thanks in advance,

Fabrice
