

Dear Colleagues,

We invite you to join us on 30 April 2016 to discover our sport, come and collect the answers to all the questions you might have about Golf, discover, learn and test its various strokes and you will begin to understand the satisfaction that this sport provides.

- Is it a sport ?; Is it for me ?; What are the skills required ?; Where ?; How ?; How much ?; When ?; With whom ?; etc....-

On this day, have all these questions answered by a team of experts, and you will have the opportunity, under the supervision of qualified teachers, to assess your abilities and skills.

This day is open to all staff members of the various European institutions in Luxembourg, as well as their close family (spouse and child).

What will you need? ... Casual wear, sports shoes, great enthusiasm, plenty of curiosity and a good sense of humor ... everything else will be provided on site.

To facilitate the organization of this event and welcome you better, please register in advance by communicating the following information by mail addressed to:
