

Dear Colleagues¹,

Would you like to discover golf, or if you are already member in one of the Clubs of the "Grande Region", would you like to discover other courses and meet other players?

Do you know the Golf Club of the European Communities (GCEC)?

The Golf Club of the European Communities meets your expectations! It is not necessary to be a member of any public or private club. We play many one-day competitions not far from home in Germany, Belgium, France and Luxembourg and occasionally, a weekend away but not further than 300km.

There is no age limit to join our club, as long as you hold a valid licence /insurance issued by one of the National Golf Federations (DGV, FGBR, FFG, FLG for ex.) and you have passed your "green card".

Further information is available from the contacts listed below.

The schedule of activities prepared by the Committee for this season includes more than 20 dates, starting with the opening at Kikuoka and continuing with in the majority one-day but also some weekend events until end of October.

All this for a small annual fee of €75/adult €25/junior, and a green fee at your expense ranging from 25 to 50 € depending on the club concerned (instead of 60 € to 120 €).

For more information please contact us by phone or mail. We will be happy to answer any questions that you may have.
