

Dear members,

The Committee of the Golf Club of the European Communities in Luxembourg is using a simple club membership software application in order to facilitate the administrative work of our club. It can also be directly used by You for different purposes: online registration, download of registration forms or simply in order to get information about our activities.

It would be very helpful if you would log on to "<https://membermojo.co.uk/gcec>" and fill in your application for joining or renewing online your membership, as described below.

Note: As this software application is produced for the British market, the currency used is £. We have reported this problem and a € option might be made available in a future release, but for now we ask you to consider the amounts given as € and not £.

The registration method via the WEB :

1. Connect to the home page : <https://membermojo.co.uk/gcec>

Welcome to GCEC

The Golf Club of the European Communities in Luxembourg

Would you like to **discover golf**, or if you are already member in one of the Clubs of the "Grande Region", would you like to **discover other courses** and meet **other players** ?

Do you know the **Golf Club of the European Communities (GCEC)** ?

Maybe The Golf Club of the European Communities can fulfill your expectations !

You want to play golf and you work (or has worked) as Official for one of the Institutions established in Luxembourg, so, you (and your family), *without the obligation of being member of any public or private club*, can join us and participate in the events we will organize, **provided you owned a valid membership card** issued by one of the National Golf Federations (DGV, FGBR, FFG, FLG for ex.), and you have passed your **green card**.

Our Program for 2016 offers around 25 dates in -or close to- Luxembourg, in Germany, Belgium, France, occasionally, we are away over a weekend but not further than 300 km.

We will open our golf season on March 20 in Kikuko, and the closure date is foreseen on October 22 in Belenhalf.

Between those two dates, having a look on our planning below, shows a lot of nice courses, probably many nice strokes and good results but for sure, as much fun as possible, because :

WE ALWAYS PLAY FAIR AND FOR FUN !

By the way, there is no age limit to join our club.

For more information please contact us by phone or mail. We will be happy to answer any questions that you may have.

Fabrice Lebrun (OPOCE, Phone 2929 - 42024) President (FR / EN / DE)
