9 **Resignation and Expulsion from Club Membership**

9.1 A Club Member intending to resign from the Club shall give notice in writing to the Club Secretary and that notice shall be considered by the Board of Directors within one calendar month of receipt. Subscriptions shall be payable within one month of the renewal date.
- 10.2 The Board may fix different levels of subscription for different categories of Club Members under Article 10.4 and may also choose to waive part or all of the subscription for Club Members who meet certain criteria. For example, and by way of illustration only, Club Members who are full time students or who are experiencing financial hardship may be offered a reduced Club Membership subscription rate; volunteer Club Members may have their subscriptions (or those of their immediate family members) waived in part or in full; Club Members who have competed for the Club at national or international level or who have achieved a recognised "top 20" UK ranking in competition for the Club in the previous 12 months may have their subscriptions waived. The Board of Directors shall use reasonable endeavours to apply such criteria fairly and consistently and shall also endeavour to ensure that subscription levels set for Club Members do not preclude open membership of the Club.

11 President

A President shall be elected by majority vote of the Club Members at an AGM to serve for a period of two years and shall be eligible for re-election for further terms. The President will be appointed as a Legal Member and Director of the Club and shall have automatic Club Membership without payment of any subscription.

12 Honorary Solicitor

If possible, the Board of Directors shall appoint an Honorary Solicitor to the Club. Such appointment to be reaffirmed annually at the AGM.

13 Accounts

If required by law or in order to maintain CASC status, these accounts shall be subject to annual audit.

13.2 If an audit is not legally required or required to maintain CASC status, the accounts shall instead be subject to an independent review by a suitably qualified or experienced person who is not a Director of the Club or closely related to a Director of the Club and has not been involved in or assisted with the preparation of the accounts (“**the independent reviewer**”). The independent review should confirm that the annual accounts are in agreement with the accounting records of the Club. Although an audit is not being performed, if the person performing the independent review identifies any concerns about the maintenance of the accounting records or the completeness or accuracy of the accounts, these should be reported to the Board of Directors in the first instance and to the legal members or other authorities if the independent reviewer considers this to be necessary.

14 Annual General Meeting

14.1 The Annual General Meeting (AGM) shall be held during the first quarter in every year to receive the Directors’ report and financial statements, for the previous financial period of 1 January to 31 December, elect officers and directors and deal with any other matters specified on the Agenda.

14.2 Club Members shall be welcome to attend the AGM although, unless they are also Legal Members, they are not eligible to vote on matters other than the election and appointment of Directors.

14.3 The Club Secretary shall give every Club Member the required notice of a general meeting. Notice of business, which it is desired to place on the agenda, must be given in writing to the Club Secretary at least 10 days prior to the meeting. This is to enable the Club Secretary to inform all club members of any additions before the meeting.

15 Club Records

The Club will maintain records of the best individual and relay team performances a Club Member or team of Club Members has achieved when competing whilst they are a member of the Club (“**Club Records**”). The

existing Club records of the predecessor unincorporated Club shall be adopted by the Club. All performances put forward as new Club records must be ratified by the Board of Directors.
