HEALTH & SAFETY POLICY 2022

Health and Safety Policy Statement

Guildford & Godalming Athletic Club Limited is strongly committed to encouraging our members to take part, but the health, well-being, and safety of everyone is always our paramount concern. The purpose of our health and safety policy is to prevent accidents, manage the health and safety risks during training and competitions, and maintain the safety, and safe use of our own equipment. We recommend levels of training dependant on age and ability and expect our athletes to participate within these boundaries.

- To ensure that all members are given the appropriate level of training and competition by regularly assessing individual ability dependant on age, maturity, and development.
