## **Code of Conduct for Coaches 2025/6**

Coaches play a crucial role in the development of athletics and in the lives of the athletes they coach. They have a unique position of trust in athletics and the need for coaches to understand and act on their responsibilities is vital, as is the need to promote participation for fun and enjoyment.

The code of conduct for coaches reflects the principles of good coaching practice.

### **Responsibilities – Professional Standards**

To maximise the benefits and minimise the risks to athletes, coaches must attain an appropriate level of competence through qualifications, and a commitment to ongoing training to ensure safe and correct practice.

### **Responsibilities – Personal Standards**

Coaches must demonstrate proper personal behaviour and conduct at all times.

### **Rights**

Coaches must respect and champion the rights of every individual to participate in sport and physical activity.

### **Relationships**

Coaches must develop a positive relationship with their participants (and others) based on openness, honesty, mutual trust and respect.
