Editing your
membership details

**I've put together some
Notes on how to
update your
Membership details**

**A new addition is the
Inclusion of
your car/bike details**

Log in with your e mail address

Top right of the page you will see your name, click on that and choices drop down, click on Your membership, a new screen opens, below your membership details you have several options, if you would like to modify your membership information go to my details and click on View or edit once again click on edit

**You will see all of your details
all of them can be modified
apart from membership
number**

**You will see at the foot of the
info we now have a facility to
enter your classics details.
Remember before coming out
of the page to go to bottom
and hit the save button**

**Going back to your
“My Membership page”**

There are a couple of other updates you might like

You can view your membership card and download as a pdf

View or upload files allows you to upload a photo of your classic, when ordering a membership card, it lifts the photo and puts it on to the back
