

Member Mojo

Welcome to the
club's
new membership
portal.

Over the last couple
of years the club
Membership has
Grown significantly

It was time to find
Appropriate
Membership software
We settled on
MEMBERMOJO

**The software is an
Excellent fit for our club**

**The software generates an
e mail reminders to you when
it sees your membership due
for renewal.**

**It offers payment via stripe
and Paypal.**

**Don't worry if you have a
standing order set up that
along with bank transfers can
continue**

We are offering two different types of membership or renewal

Family membership £25

Family membership + membership card £30

The card is in the process of being designed once it's signed off, we will send out a copy. If you don't opt for that there will be an online PDF membership card

The software is very member friendly

Once your details are uploaded you will be able to access your details and change amend update

You can also upload a photo of your classic and if you opt for membership card it sends the photo to print and your car is on the reverse of the membership card

Now for the exciting bit

Membership access

**Click on the hyperlink or point
your mobiles camera at the
QR code**

Both take you to the site

**Fill in your e mail address and
hit the sign in with e mail
button**

**It sends you an e mail and
once you receive it simply
once again use the hyperlink
And that's you logged in**
