Matters Arising: Approval of funds transfer to Sections was complicated by the IFFR Rules requiring 2 authorised signatories but only 1 required by Bank of America for on-line banking. Matter discussed by Board Members by email & funds were transferred under 1 signature. Since then a system has been set-up within IFFR for the Secretary / Treasurer to seek approval from WP for on-line payments with one signatory & to keep that approval on file for audit purposes.

Reports: W.P. Svend presented his report & commented on the welcome he & Carina had received at all the fly-ins they have attended. He thanked Gerhard Wrede & his team for the superb organisation of the post-convention fly-in at Berlin. He commented on his aims regarding membership, in both gaining new members & in re-activating some existing members. Also commented on the formation of Regional Squadrons to generate more local initiatives to involve more members. He thanked Dale Read & his team for organising the the fly-about this year. He expressed his thanks to Lynn Miller for her help in many ways, to George Chaffey for advice & support, to Bo Johansson for his work on the website, to John Bowden for his help in reviewing the Guidelines, & to Carina for her total support & help.

Budget: The proposed Budget was presented by Svend & discussed. Svend proposed the funds be held at around USD25000 – 30000 & that this level be maintained by the Executive Board annually adjusting the Dues paid by Sections. Svend proposed that Sections not pay any dues to International this year to retain money in the Sections & avoid amassing surplus money in the International account. Moved Jack Welge, seconded Tom Johnston this proposal be approved. Accepted unanimously.

Appointment of Auditor: Moved Rodney Spokes, seconded Phil Pacey that Angus Clark be appointed Auditor for a further term. Accepted.

World Section: Vladimir Kogan reported there were 21 members in his Section but it was difficult to get & maintain membership without any formal structure & activities.

Europe: Thomas Morf reported the European Sections were in good shape & are all very active with regular fly-ins organised by the Sections
