

Weybridge CC Junior Members Holiday Coaching 2018

for Boys & Girls aged 5-15

Weybridge Cricket Club are delighted to offer junior members the opportunity to continue to work on their cricket skills with coaching throughout the summer as well as during the Easter and May half-term school holidays. As matches will be continuing for most groups over the summer, we hope to see many of our juniors attending in the holidays especially when formal training stops.

The camps will be run by the usual Weybridge coaching team so the youngsters will see some familiar faces when they arrive and our coaches will be able to continue the work they are already doing with the players.

Where possible there will also be plenty of match play each day as we believe that match play skills are at the core of learning and of course they are the most fun!
